Perler Studio

Overview | 29 x 29 pegs | 323 beads | 8 colors

Before you start

Estimated size at 2.6 mm peg pitch: 7.5 x 7.5 cm.
Pattern sheets: 1 across x 1 down. Coordinates start at 1 in the top-left.
Bold grid lines mark every 29 pegs. Match sheet coordinates before joining.
Read the materials list for exact Perler codes and recommended spare beads.
Colored or special-effect beads may look different in real light.
Mirror the edited pattern before exporting if the finished face needs to be reversed.
READABLE MODE: Grid cells are enlarged to 6 mm for code legibility.
These sheets are a counting guide, not a life-size pegboard overlay.
